

Direct Cremation

Our direct cremation funeral is priced at £2,054.80 INCLUDING THIRD PARTY COSTS.

(This would reduce to £1,972.80 if doctor's fees are not required.).

This option is suitable for those who do not wish to attend the funeral. We will convey your loved one to Norse Road Crematorium in a basic cremation coffin, using our hearse, our funeral director and two pall bearers, at a time and date of our choosing. No service will take place and no members of family or friends may attend. Your loved one will be dressed in a gown and you may visit them during normal office hours in our rest chapel facilities. We will complete all necessary paperwork and pay 3rd parties on your behalf. We will also handle online donations for you via the Love2donate website. We will provide you with a written confirmation of our costs and this service must be paid for in full in advance of the funeral date. If you require further information about this service, please contact one of our funeral directors.
